PRODUCTS AND SERVICES

The User can order and purchase services and/or Products available on the Online Shop, with their prices indicated.

Each Product and/or service purchased through the Online Shop is subject to the description and specific conditions stated on the Online Shop, including, among others, prices, taxes, delivery dates, payment methods and warranties. EXPERIENCES

When applicable, the participation in experiences is limited to having the corresponding driving licence of the vehicle which will be used in the experience, as well as any other conditions to be determined by Parkalgar.

The experiences are sold to the User through vouchers. The vouchers include security codes that ensure their uniqueness and authenticity. The vouchers are transmissible, and their user should fulfil the participation conditions indicated in the paragraph above.

Parkalgar will not refund the acquisition of experience vouchers if the user cannot take part in the experience due to non-compliance with the participation conditions.

The use of vouchers is subject to previous booking with Parkalgar. To book a voucher experience, the User should contact Parkalgar by emailing racingschool@autodromodoalgarve.com, or calling the number **[+351 282 405 600]**.

The experiences included in the voucher are limited to a maximum number of participants.

Parkalgar makes no commitment to ensuring availability when the User intends to use the voucher, within the specified period of use.

If for any reason the voucher is not used in its entirety, the User can, within the period of use, benefit from the remaining experiences included in the voucher that, due to their nature, can be separate from the experience already used. If the voucher is not used in its entirety, Parkalgar will not refund the User for the remaining unused experience.

It is forbidden to reproduce, edit, manipulate or resell vouchers. If there is substantiated suspicion that one of these occurrences has taken place, Parkalgar reserves the right to take adequate measures, namely with the competent authorities.

Vouchers must be used within the indicated period of use, under penalty of forfeiture. Parkalgar will not refund expired vouchers.

TICKETS

Parkalgar reserves the right to alter or cancel any event when, for reasons non-attributable to Parkalgar, such as weather conditions or third-party actions, the security conditions cannot be met. In case of cancellation, Parkalgar is not obliged to refund the value of the ticket, except if the cancellation is due to the imposition of Portuguese Administrative and/or Health entities and is due to the current pandemic situation of COVID-19, in which case the value of the tickets will be returned, less the costs of bank transaction and of the service fees, if any. Parkalgar is not liable for damages due to cancellation. In case of postponement, Parkalgar will warn the User about said postponement. The new race date will be communicated to the User at least 5 days of advance. The placement of orders and subsequent acquisition of Products on the Online Shop is subject to restrictions:

Confirmation of payment will then be sent to the User. The ATM receipt should always be kept as proof of payment.

DELIVERY

The Products will be considered as shipped when they are delivered by Parkalgar to the courier, which will in turn be responsible for delivering them to the User, according to the terms below. The Products will

be sent and delivered to the User by the courier, in Portugal, in the 3 (three) business days following shipment, on average. Deliveries to the archipelagos of Madeira and Azores will take place on average in the following 6 (six) business days and, outside Portugal, in 10 (ten) days on average. Parkalgar is not responsible, in any case, for delays caused by third-party entities. The indicated delivery dates for the ordered Products are estimated dates. The deadlines mentioned above do not apply to possible stock-outs, in which case the user will be contacted and advised about the new delivery date.

If nobody is available to receive and sign for the delivery confirmation at the “Place of Delivery” indicated by the User, the logistics operator will not deliver the Product. In this case, the courier will contact the User to attempt to deliver the ORDER at a different time. If it is not possible to deliver the Products when they are ready for delivery or if it is not possible to make the delivery on the due date for any action or omission attributable to the User, the User will be forced to reimburse Parkalgar, when solicited, for all the incurred costs and expenses. The value of the delivery methods may differ according to the geographical area to which the tickets are dispatched and will not be returned in any case as long as the service has been provided, i.e. the tickets dispatched.

In the event of a delay of more than 15 (fifteen) calendar days to deliver the order, please contact Parkalgar at the following address: Sítio do Escampadinho, Mexilhoeira Grande, 8500-148 Portimão, with the order number.

As soon as the orders are received by the User, he/she should check them immediately. If any error with the Products ordered or package irregularity is detected in the shipment of ordered Products, the User should contact Parkalgar so that the situation can be corrected with the return of the wrongly sent Products and the shipment of the Products that were actually ordered.

COSTS

The shipping costs and other expenses will be shown during the order placement, and the amount will be detailed in the order overview made by the User or made available at the purchase date.

RIGHT OF WITHDRAWAL (non-applicable for tickets)

The User who is a consumer (i.e. an individual purchasing goods for non-professional use) has a 14 (fourteen) calendar-day deadline starting from the day the User or third party assigned by the User receives or acquires possession of the Product or, in case of a service, a 14 (fourteen) calendar-day deadline starting from the date of the conclusion of the contract, to withdraw from the purchase agreement or service, as applicable, without the need to declare a reason. To do this, the User should inform Parkalgar about his/her desire to end the contract by means of a clear statement (for example, a

letter sent by post or email) to:

Address: Sítio do Escampadinho, Mexilhoeira Grande 8500-148 Portimão

Email: tickets@autodromodoalgarve.com

The withdrawal form set out in the Decree Law 24/2014 of February 14 can also be used.

If the User decides to withdraw from the contract, a reimbursement of all payments, including delivery costs, will take place 14 (fourteen) calendar days at the latest starting from the day in which Parkalgar is informed of the contract withdrawal, without prejudice of the paragraph below. Parkalgar will not refund additional delivery costs when the User expressly requests a non-standard delivery option, which is different and more costly than the standard and less expensive option proposed by Parkalgar.

In regard to a service, if it has already begun by request of the consumer before the deadline of 14 (fourteen) days mentioned above, the exercise of the right to withdraw following the request to start the provision of the service does not exempt the consumer from paying the proportional amount of the price that has been provided up until the withdrawal communication. It is to be noted that the rental of vehicles is not subject to the right of withdrawal.

Refunds are made through account credit. In any case, the User will not incur any costs as a consequence of such reimbursement. Parkalgar will retain the refund until receiving the returned goods or until the User presents proof of returning the goods, depending on what occurs first. The User can return the goods or deliver them, without unjustified delay and at the latest 14 (fourteen) calendar days starting from the day in which he/she informs Parkalgar about the contract withdrawal. He/she will have to return the goods in their original packaging and conditions. The User will only be responsible for the depreciation of goods resulting from handling that exceeds what is necessary to establish the nature, characteristics and the good functioning of these goods.

WARRANTY

The User who is a consumer benefits from a 2-year warranty and other warranties established in the Decree Law 67/2003 of April 8, concerning goods purchased on the Online Shop. The User should keep the receipt and warranty document as proof of purchase to benefit from the respective warranty.

If necessary, in case the equipment breaks down during the warranty period, Users should contact

kia@parkalgar.com or call **+351 282 405 650**.

The User acknowledges that he/she uses the Website and Online Shop at his/her own risk and is held solely responsible in case of any damage caused to his/her system and/or computer equipment, as well as other damages or losses, including data loss or damage, which eventually results from using the Site

and its materials, contents or gathered information.

Parkalgar is also not liable for the loss, deterioration or destruction of Products in case of theft, burglary, force majeure and neglect or fault of the User or a third party.
