1.3. General Recommendations

On event days, especially Sunday 22 November, large crowds and heavy traffic are expected. To avoid queues and delays:

- Arrive at the circuit several hours in advance.
- Allow time to park and to walk to your grandstand.
- Bring the WeBook app installed with your digital grandstand ticket, and your ID document.
- Follow the instructions of the authorities and support staff.
- Remember that motorcycle racing is a high-risk sport: always follow the rules and the instructions given by staff.

2. Your Ticket

- **Digital grandstand ticket** – available in the WeBook app immediately after purchase; on event day, the ticket is scanned through the WeBook app. There is no physical ticket. Everyone must have a ticket to enter the venue, including children without a seat (see section "Children").
- **Digital transport ticket** – on event day, in the bookings area of the WeBook app, you will find two tickets: the digital grandstand ticket, to enter the event, and the transport ticket (named "Transporte"), to board the Shuttle Bus. You do not need to do anything to obtain the transport ticket (see section "Getting There").
- **No network access** – if you have a problem, go to the Information Point marked on the event map (see section "Event Map").
- **WeBook app** – the ticket is linked to the email address used for the purchase. Have the app ready and open when your ticket is scanned at the entrance. If you have a problem, go to the Information Point located beneath the Main Grandstand.
- **Dedicated grandstand and gate** – the digital grandstand ticket gives access only to the grandstand shown on it, and each grandstand has a single access gate, which you can find on the event map (see section "Event Map"). Access will not be granted through any other gate or to any other grandstand.
- **ID document** – to enter the Circuit, you must have the WeBook app with your digital grandstand ticket and an official photo ID (Citizen Card, ID card, passport or driving licence), for possible checks (ticket, child's age, etc.).
- **Multiple exits and re-entries** – you may leave and re-enter the venue with the same digital grandstand ticket; it will be scanned on exit and on entry.
- **Refunds** – tickets are non-refundable.
- **On-the-day purchase** – tickets can be bought online or on site up to race time, subject to availability.
- **Ticket upgrades** – the race promoter is responsible only for selling grandstand tickets; upgrades can be arranged at the Information Point marked on the event map (see section "Event Map").

2.1. Hero Walk

The Hero Walk is an add-on to the digital grandstand ticket, available on Saturday and Sunday, at the following times and prices:

Day	Time	Riders	Price
Saturday	11:45 – 12:15	Moto3 and Moto2	€35
Sunday	09:25 – 09:40	MotoGP	€65

- **Entrance** – Paddock access tunnel.
- **Arrival time** – please be at the entrance 15 minutes before the scheduled time, for access control.
- **Purchase** – available as an add-on in the WeBook app, exclusively for digital grandstand ticket holders.

3. Children

Under current Portuguese law, children under 3 are not permitted to enter (there is no ticket for children under 3). The Autódromo Internacional do Algarve has decided to allow free or discounted entry for children aged 3 to 16 inclusive, under the following conditions:

Grandstand	Age	Condition
All grandstands	3 to 7 years	Free, on an adult's lap (no seat)
All, except Main Grandstand (lower and upper) and Marc Márquez Grandstand	8 to 16 years	Free (with seat)
Main Grandstand (lower and upper)	8 to 16 years	50% of the price (with seat)
Marc Márquez Grandstand	8 to 16 years	Adult price (with seat)

- Each child ticket (free or discounted) must be linked to a paying adult ticket: 1 adult ticket for each child ticket. Everyone must have a ticket, including children without a seat (3 to 7 years, on an adult's lap).
- An adult accompanying more than one child must buy one adult ticket per child (for example, 2 children require 2 adult tickets).
- Child tickets are obtained from WeBook (online or app) or on site, and must be obtained at the time the adult ticket is purchased. A child ticket cannot be added to an adult ticket already purchased.
- The child's ID document is mandatory and may be checked by security at the circuit entrance to confirm their age.
- Entry to the circuit will be refused without a valid ID document, a valid child ticket, or an accompanying adult with a valid ticket.

4. Getting There

The only ways to reach the venue are the Shuttle Bus provided by the AIA, your own vehicle (using the car parks listed below) or ride-hailing (TVDE)/taxi. There is no regular public transport service to the AIA. Alternatively, you can travel by train (CP) to Portimão and, from there, take the Shuttle Bus from the Route A boarding point (see section "Shuttle Bus").

Address: Autódromo Internacional do Algarve, Sítio do Escampadinho, Mexilhoeira Grande, 8500-148 Portimão. Location: see on Google Maps.

4.1. Own Vehicle (Car or Motorcycle)

The Autódromo Internacional do Algarve has prepared several dirt car parks and one tarmac car park for cars and motorcycles.

The event map is available in this guide (see section "Event Map") and on the website to help you choose a car park.

4.2. Motorhomes

Visitors travelling by motorhome can park in the motorhome park (see section "Event Map"). Access costs €140 for the whole weekend, is exclusive to ticket holders and is purchased in the WeBook app. Entry to the park is possible from Thursday 19 November at 16:00, and departure is at the end of

the event on Sunday 22 November. It is a parking area only: there is no electricity, water or any other service. (see section "Parking")

4.3. Shuttle Bus

Exclusive, free transport is provided on two official routes on presentation of the transport ticket in the WeBook app. You do not need to do anything to obtain this ticket: on event day it will be available in the bookings area of the app, next to your digital grandstand ticket, named "Transporte". The transport ticket is what you must show when boarding the Shuttle Bus:

- **Route A** – Portimão (Arena) ↔ AIA – boarding point: Portimão bus terminal, next to the Arena Pavilion (see on Google Maps)
- **Route B** – Lagos (Meia Praia) ↔ AIA – boarding point: Meia Praia, Lagos (see on Google Maps)

You can also reach the Route A boarding point by train: CP runs services to Portimão station, from where you can make your way to the Portimão bus terminal, next to the Arena Pavilion. For more information on the Algarve Line, see the CP timetables.

The Shuttle Bus to the circuit runs from 07:00 to 11:30 on every day of the event. The return service to Portimão and Lagos runs from 14:00 to 18:00 on Friday and Sunday, and from 14:00 to 19:00 on Saturday. The Shuttle Bus service does not have vehicles adapted for persons with reduced mobility.

4.4. Ride-hailing (TVDE) and Taxi

Ride-hailing (TVDE) and taxis use the designated area shown on the event map (see section "Event Map" and see on Google Maps) – direct drop-off next to the grandstands is not permitted. Parking is not possible; it is a pick-up and drop-off point only.

4.5. Grandstands and Gates

Each grandstand has a single access gate, which you can find on the event map (see section "Event Map"); the North Grandstand and the Lagos Grandstand share Gate 5. The digital grandstand ticket gives access only to the grandstand shown on it, and moving between grandstands is not possible on any day of the event, including Friday and Saturday.

4.6. Arrive Early

Arrive several hours in advance, especially on the busiest day (usually Sunday).

4.7. Circuit Eco Shuttle

The Circuit Eco Shuttle is the circuit's internal transport service, linking the various grandstand access gates and helping visitors reach their grandstand gate more easily. This year, the service is operated by 100% electric buses – a sustainable, zero-emission mobility solution within the venue.

- **Stops** – at all gates (Gate M and Gates 1, 2, 3, 3B, 4 and 5), marked on the event map (see section "Event Map") with the green bus symbol (Circuit Eco Shuttle).
- **Vehicles** – electric buses, easily identifiable within the venue.
- **Access to the service** – free; no transport ticket is required.
- **Timetable** – Friday to Sunday, from 08:00 to 17:00. Between 13:00 and 14:00, a reduced service operates.
- **Direction of travel** – clockwise.
- **Morning period (until around 13:30)** – the first stop is at the foot of the Gate M ramp and the last stop is at Gate 1. There is no service between Gate 1 and Gate M.
- **Afternoon period (from around 13:30)** – the first stop is at Gate 3 and the last stop is at Gate M (Gate 3 → 3B → 2 → M). Gates 1, 4 and 5 are not served in the afternoon. There is no service between Gate M and Gate 3. The changeover time between the morning and afternoon periods is approximate and may be adjusted according to track activities.
- **Boarding** – first come, first served, in queue order.
- **Reduced mobility** – the service does not cater for persons with reduced mobility.
- **Grandstand access** – the Circuit Eco Shuttle does not change the access rules: the digital grandstand ticket gives access only to the grandstand shown on it, through its gate, and moving between grandstands is not possible.

5. Parking

5.1. Own Vehicle (Car or Motorcycle)

The Autódromo Internacional do Algarve has prepared several dirt car parks and one tarmac car park for cars and motorcycles:

Main Grandstand Blue Car Park (paid):

- Customers who have purchased parking for this car park must:
  - Print the parking permit sent to them by email after purchasing parking.
  - Display the permit clearly in the vehicle, so that they can move around the area without hindrance from the authorities.
  - At the car park entrance, show the parking ticket available in the WeBook app to validate entry.

Important: if the parking permit has not been printed, the customer may have to follow other instructions from the authorities and may be directed to another, more distant car park.

Free car parks (all other car parks):

- No parking permit is required in these car parks.
- Parking is on site, subject to space availability and in accordance with the instructions given by staff and the security team present.

5.2. Parking Rules

- At the car park entrances, follow the stewards' instructions.
- Always park facing the exit.
- We recommend buying the Paid Car Park permit in advance, together with your ticket or as an add-on in the WeBook app. On event day, the permit can also be bought in the WeBook app or on site, subject to availability.
- To reach the Paid Car Park, you need the printed parking permit sent to you by email after purchase; to enter the car park, you must show the parking ticket in the WeBook app.
- Keep your proof of purchase.
- All car parks have permanent security staff and support teams to advise on capacity and availability.
- Opening hours: from 07:00 until two hours after the end of the event.

5.3. Accessible Parking (PRM)

Once their reduced mobility badge has been confirmed, holders may use the PRM (persons with reduced mobility) car park, as shown on the event map (see section "Event Map"). In addition to the ticket, the reduced mobility badge must be clearly displayed in the vehicle. Without this badge, entry to

the PRM car park is not permitted. Spaces are limited in line with legal requirements and are allocated on a first-come, first-served basis.

5.4. Motorhome Park

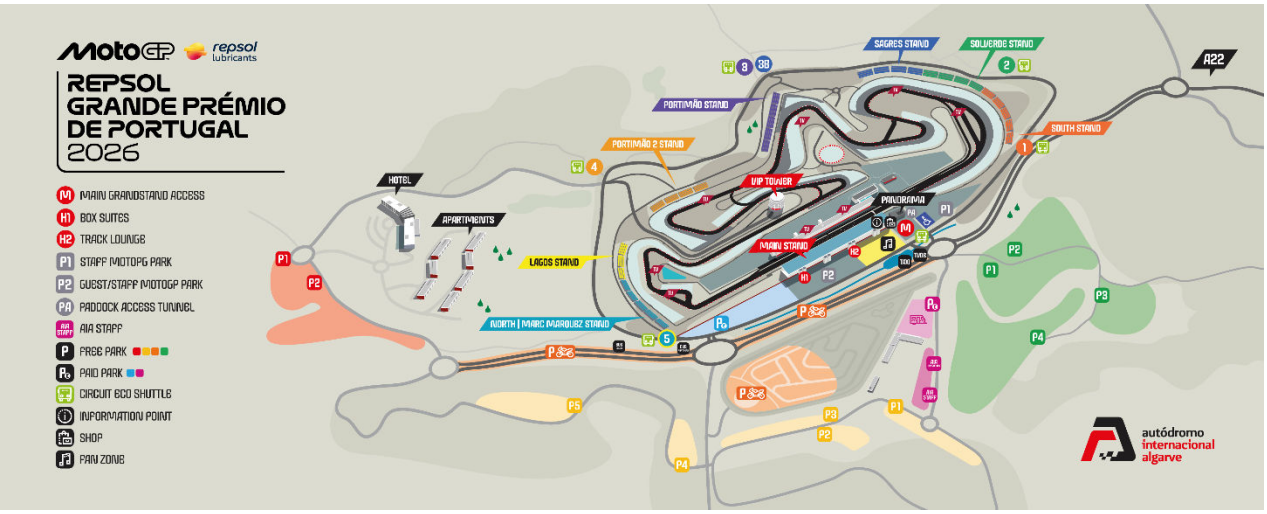

The motorhome park (see section "Event Map") costs €140 for the whole weekend, is exclusive to ticket holders and is purchased in the WeBook app. Entry to the park is possible from Thursday 19 November at 16:00, and departure is at the end of the event on Sunday 22 November. It is a parking area only: there is no electricity, water or any other service.
